

Maximize your district's federal COVID funds to increase safety now and in the longer term

CENTEGIX's solutions qualify for federal funding

- The latest COVID stimulus package gives school districts significantly more funding than the CARES Act of 2020.
- You want to invest this additional money to provide long-term benefits to serve your district now and well into the future.

Benefits of ContactAlert™

ContactAlert reduces the administrative burden of the COVID-19 contact tracing process:

Determine which rooms may need cleaning

Notify individuals who may have been exposed

Protect personal information during the contact tracing process

Save time and money in managing school response

In order to maximize school safety, ContactAlert now includes all the benefits of CrisisAlert:

Benefits of CrisisAlert™

Our badge is the fastest and easiest way for staff and teachers to get help immediately, anywhere on campus:

One button activation.
Wearable badge with a single button enables confident human action.

Immediate notification.
With the simple push of a button on the staff badge, alerts instantly reach administrators and 911 responders.

Location accuracy.
Our innovative technology determines the location of the alert, down to an individual room.

Total grounds coverage.
Our network secures every square foot of your property – there are no dead zones. Badges function everywhere.

Audio and Visual Notification.
Faculty-wide alerts communicate emergency information using colored strobe lights, desktop alerts and intercom integration.

Ease of installation.
Solutions installed within budget in 45 days or less. No alterations to physical structures or electrical wiring are required.
