

# EVERY STORY MATTERS

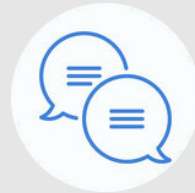

WHAT TEACHERS AND SCHOOL ADMIN SAY

"Our staff is using CrisisAlert™ appropriately and it definitely reduces response time. It provides a sense of security to staff should there be a safety or medical emergency."

-- Principal, Glynn County SD, GA

"The system is very reliable and adds the extra layer of security to make our faculty and staff feel safer at work."

-- Assistant Principal, Douglas County School System, GA

"I feel safer knowing we have this kind of protection for not only students, but staff as well. Emergencies could arrive at any time and we all should be ready. CENTEGIX is dependable, timely and always appreciated."

-- Teaching Assistant, Candler County SD, GA

"It's easy to use and it helps me get to where I need to be if there is an emergency."

-- HS Nurse, Hart County Charter System, GA

"CENTEGIX has been a huge help for the crisis team at the school and teachers. We can respond to teachers that need help very quickly. We also use it for data tracking purposes to ensure we can get the correct resources."

-- ESE Specialist, Hillsborough County PS, FL

"CrisisAlert™ is a speedy, discreet way to ask and get the help needed without causing a great disruption to the learning environment."

-- Instructional Coach, San Antonio ISD, TX

"It is easy to use and I can always count on it to work properly when we need someone to come help out."

-- Classroom Teacher, Carroll County SD, GA
