

2022 FALL SAFETY REPORT

Adoption is Critical for Comprehensive Safety

Emergency response and reporting is only effective if EVERYONE is empowered to respond. Systems requiring educators to download apps on personal devices has consistently proven to fall short of comprehensive coverage. The CrisisAlert™ wearable badge has been adopted by 100% of teachers in schools using CENTEGIX.

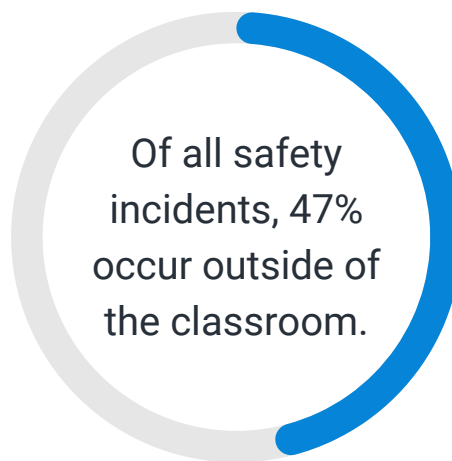

Alert Reasons

98%

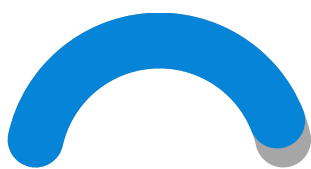

Alert Locations

47%

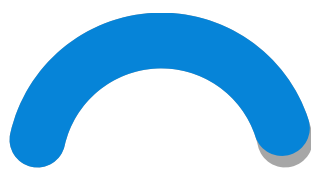

The numbers are irrefutable and the need is clear. Educators must be able to call for aid *whenever & wherever* they are on campus.

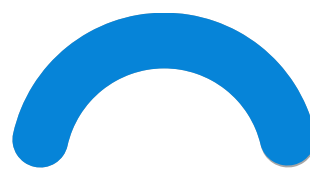

When school staff members used CrisisAlert...

95% felt empowered to rapidly resolve the situation.

97% reported that the badge made them feel safe and supported.

99.5% stated that the CrisisAlert badge was easy to use.

92% would recommend CrisisAlert.

Educators give 100% to students.

In a crisis, they deserve the same from us.

CENTEGIX™
EVERY. SECOND. MATTERS.

And more.
