

“I NEED HELP” STAFF ALERT

Use your CENTEGIX CrisisAlert™ Badge when you are experiencing an “I Need Help” situation by triggering the 3-click Staff Alert. This provides a discreet way to request immediate assistance in various situations without causing disruption to others.

ACTIVATING STAFF ALERTS ON YOUR BADGE

TRIPLE CLICK: Remember to click your badge 3 times by using the mnemonic, “I Need Help”. As you activate the staff alert, feel the empowering vibration feedback that signals your message was sent.

HELP IS ON THE WAY: Site responders will swiftly step in, providing the individual assistance you need for various incidents and issues.

WHEN TO ACTIVATE STAFF ALERTS

Request assistance by using your badge during various situations, such as:

- **Medical Emergencies**
- **Physical Altercations**
- **Suspicious Activity**

BE EMPOWERED

KNOW YOUR BADGE: Familiarize yourself with its functions and activation process, empowering yourself to take charge of your safety.

ENCOURAGE OTHERS: Spread the word about staff alerts and the power of the CrisisAlert™ Badge.

STAY PREPARED: Keep your badge within reach, ready to activate when needed. Your preparedness makes a difference in every situation.

AVOID INADVERTENT PRESSES: Wear your badge behind your staff ID for easy accessibility while protecting the button.
