# Why choose CENTEGIX Enhanced Visitor Management?

CENTEGIX Enhanced Visitor Management takes traditional visitor management to a new level of accountability for all visitors, volunteers, and vendors that come to your campus. Our Enhanced Visitor Management system lets you easily check in, authenticate, and locate visitors in real-time, giving you confidence and peace of mind that only permitted, verified visitors are on your campus at all times, and our dashboard gives you full visibility and analysis into all visitor and volunteer activities, both historically and currently, down to the minute.
