

Powerschool and CENTEGIX Visitor Management

Save hours of data entry and manage daily custody or reunification by integrating your PowerSchool account with CENTEGIX Visitor Management.

Accomplish More Without Doing More

PowerSchool and CENTEGIX Visitor Management integrate to keep student attendance and visitor records up to date.

By integrating PowerSchool with CENTEGIX Visitor Management, you unlock new time and money savings. Students attendance records automatically sync from CENTEGIX Visitor Management to your PowerSchool account when students are signed in tardy or dismissed early, saving your hours of manual data entry. Use CENTEGIX Visitor Management to print a hall pass for students to take when they're done.

Why Consider CENTEGIX Visitor Management?

CENTEGIX Visitor Management is a long-time partner of PowerSchool and holds the Seamless Data Exchange badge, verifying its ability to send data between both systems in real time. Other benefits of using the PowerSchool and CENTEGIX integration include:

- Syncing attendance with daily, meeting, and time attendance codes
- Syncing students into CENTEGIX Visitor Management for accurate rosters throughout the year
- Syncing parents and guardians into the system to ensure your students are leaving with the correct person
- Update attendance when students visit guidance counselors, study hall, and the nurse's office

Save Time and Money

Eliminate Manual Data Entry

Did you know that a single school can save up to two hours of data entry per day when you integrate PowerSchool with CENTEGIX Visitor Management? That can add up to \$5,000 in savings per school each year.

More Than a Visitor Sign-In System

Background Checks

Run sexual offender background checks for each visitor before they enter campus.

Monitor Custody Issues

Make sure that your student leave with the correct person with Parent-Guardian Custody Checks,

Manage Your Volunteers

Host registration forms, monitor approval statuses, and sync volunteer lists with our Volunteer App.
